hi, i'm zoey chen!

CSE @ UC Irvine '29

I'm a developer, artist, and student. I love to find new ways to express myself — whether that's designing games, building websites, or through physical mediums.

projects

All Games Web

games and sites galore

Gilgamesh Destroys The World

You can't destroy the world on an empty stomach... A puzzle game made at UCI, Winter quarter 2026.

Puzzle Game Jam Browser VGDC

Rose-Tinted Vision

Woo your crush, but don't get noticed! A simulation game made collaboratively for winter game jam 2026.

Simulation Game Jam VGDC

Ant Eater

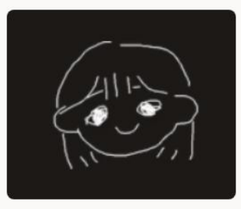
Shrink inside an anthill and fight ants now on equal footing. A 2D metroidvania platformer made at UCI, Fall quarter 2025.

Platformer 2D Metroidvania VGDC

Unforgettable Spirit

discover the mystery of your lost memories. A visual novel puzzle game made at UCI, Fall Zotjam 2025.

Unity Game Jam Browser VGDC



Portfolio Website

My personal portfolio site, built from scratch with Next.js, Tailwind CSS, and Framer Motion.

Next.js Tailwind CSS TypeScript

Weather Forecast

A weather forecast app that displays current conditions and upcoming forecasts for any location. Built using the National Weather Service API and OpenStreetMap/Nominatim for geocoding.

HTML JavaScript CSS

Petrdex

A Pokedex-style catalog of UCI Petr stickers. Discover rare stickers, track collections, and learn about the artists behind the designs.

HTML JavaScript CSS

Zoey Chen 陳星怡

CSE @ UC Irvine '29

Thanks for visiting my website!

My name is Zoey Chen. As of now, I'm 19.101739429 years old. I'm currently a freshman at University of California, Irvine studying Computer Science and Engineering. My hometown is San Jose, CA.

In my free time, I enjoy coding, art, music, and hanging out with friends. In these next few years, I hope to experience as many new things as possible.

Feel free to reach out! I would love to talk to you. :D
